

Silk Road Sampler Workshop

with Dr. Laurel Victoria Gray

"Silk Road" themed concerts and choreography have recently become popular in the Tribal Bellydance scene, but what are the traditional dance cultures of the Silk Road really like?

This workshop teaches the technique for some of the most beautiful and unusual elements of the tribal dances from the heart of the Silk Road. From alluring arm pathways and gestures, to interesting step combinations and challenging spin combinations, this class will add authentic spice to your Tribal dance repertoires.
